To remain affordable, U-M is committed to keeping its costs low, limiting tuition increases, and investing heavily in financial support for students.

Since 2004 U-M has cut $313,000,000 in recurring costs, and is on track to reduce costs by another $48,000,000 in the next two years.

MICHIGAN MATCHING INITIATIVE

1:4 amount U-M will match endowed student support gifts of $50,000 to $1 million. (U-M invests $1 for every $4 donated)

5th Best Value in the Nation

for a public university
(The Princeton Review, 2014)

63%
of U-M undergraduate students receive financial aid

87%
of U-M graduate students receive financial aid

For these students U-M is less expensive than it was in 2004.

FOR 2015–2016

U-M has committed $144 million for financial aid from the General Fund*
